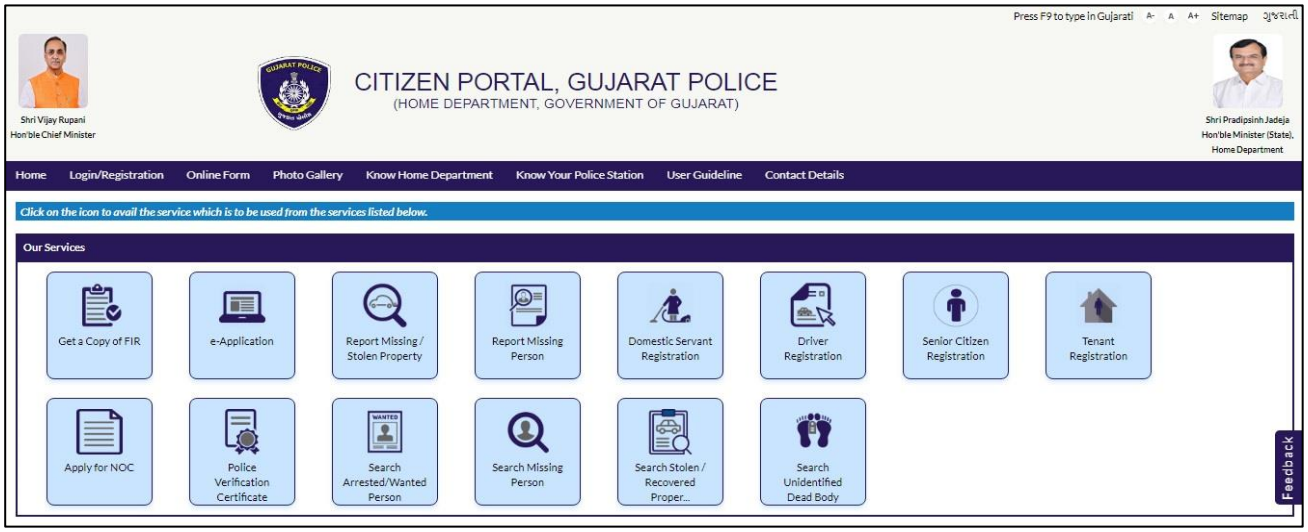
Guidelines for Citizen Portal

To avail services of Citizens portal, type gujhome.gujarat.gov.in in your browser and press enter. You will be directed to screen as shown below:

1. Home Page

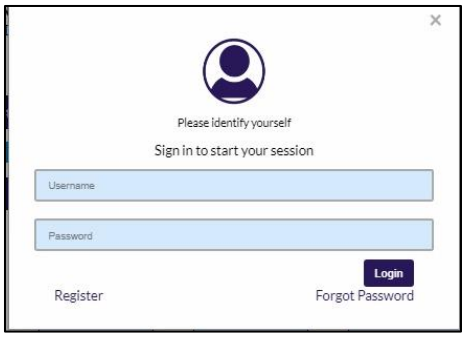


Home Page screen will look like one shown above where you can avail different services among the list shown. You can view the website in both English as well as Gujarati language.

Home Page will display the list of different services. You need to register yourself on Citizen Portal to avail any service, only "Get a copy of FIR" service can be used without registering. For all other services, registration is compulsory. Once registration is completed, you can use any service by entering User Name and Password. In case you forgot your password, you can reset it by clicking on Forgot Password.

2. Login/Registration

To register on Citizen Portal, click on Login/Registration tab. You will see screen as displayed below.



Registration: By clicking on Registration, below screen will displayed.

All fields marked with * are mandatory

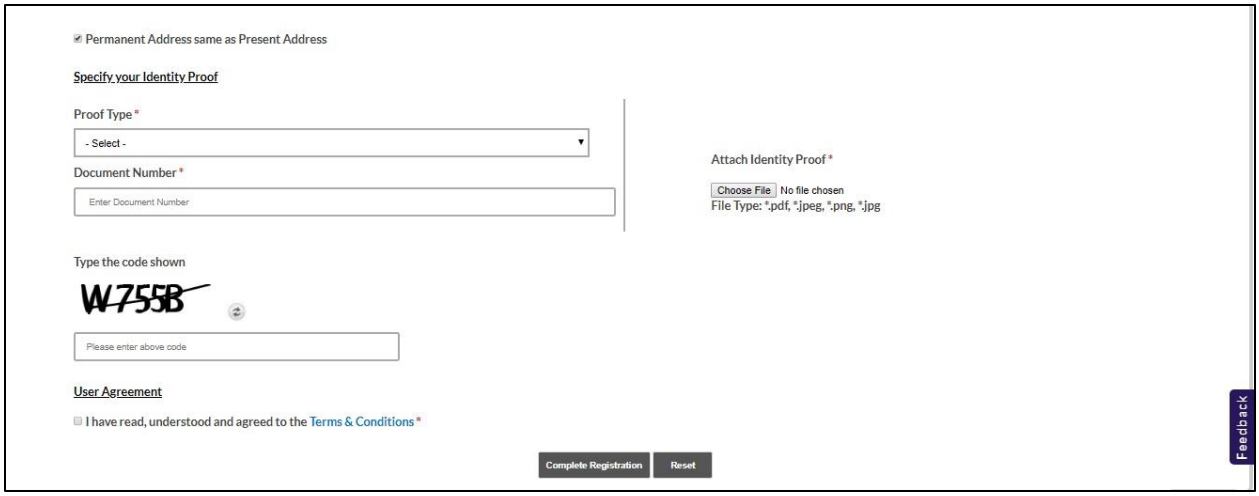
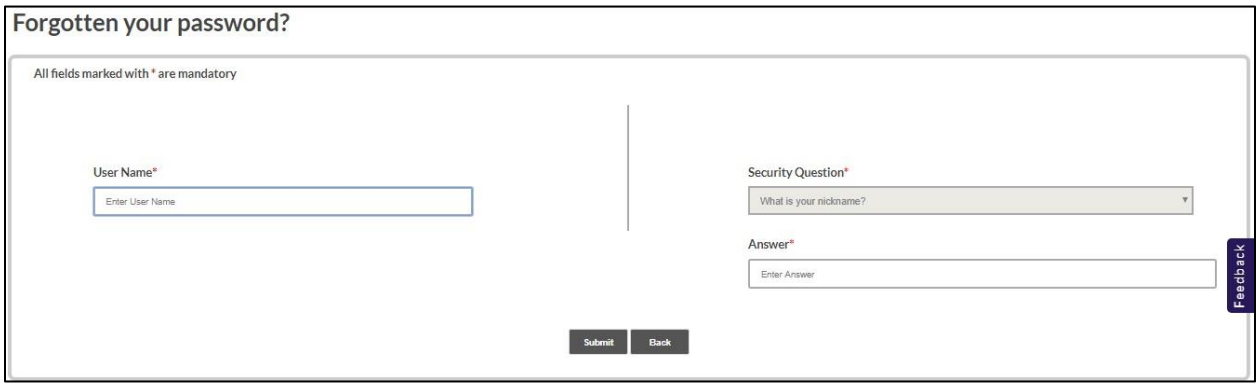
Feedback



As displayed, to create new account enter Username, Password, select the security question and enter its answer. Thereafter fill the personal details like First Name, Last Name, Date of birth, Address, Mobile Number, e-mail address, etc. Upload the ID proof, enter the ID number, accept the user agreement and complete the registration process.

Login: After completing registration on Citizen Portal, click on Login/Registration tab to Login. Enter the Username and Password. After Login, you can avail all available services.

Password Reset: In case you don't remember the password, you can click on "Forgot Password" to reset it. Answer the security question that was set by yourself during registration to reset password.



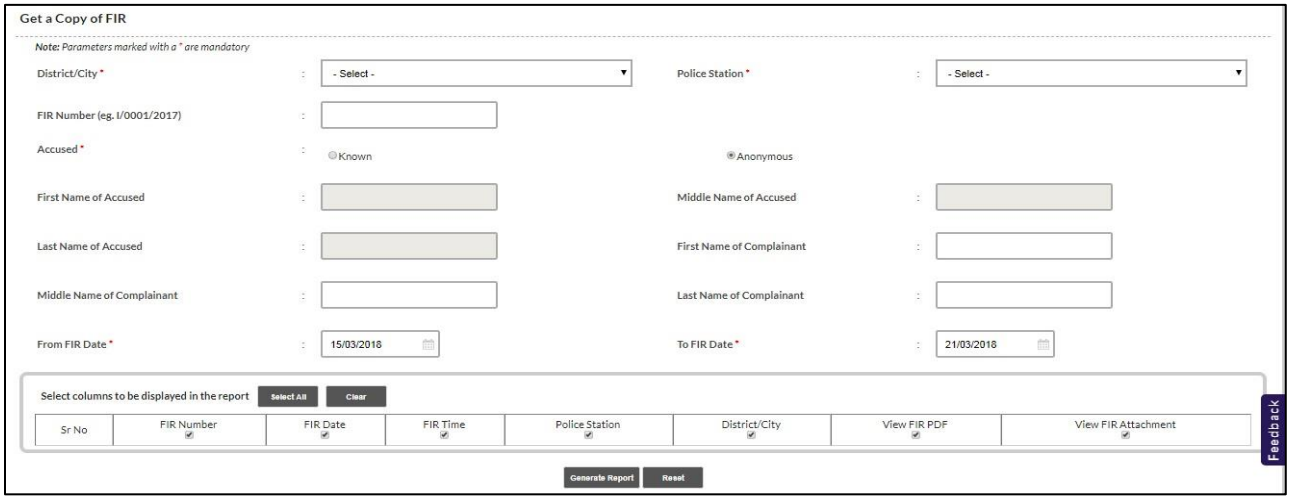
Once the security question is answered successfully, you will be able to set the new password.

Home

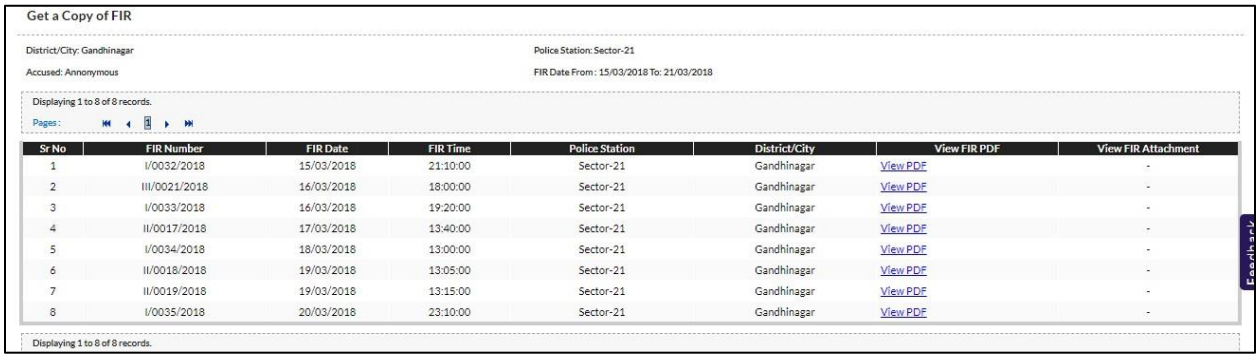
As per the above screen Click on the icon to avail the service which is to be used from the services listed above.

F.I.R search

As mentioned earlier, to avail this service registration is not required. User can click on “Get a copy of F.I.R”. After clicking, it will direct yourself to the screen as shown below.



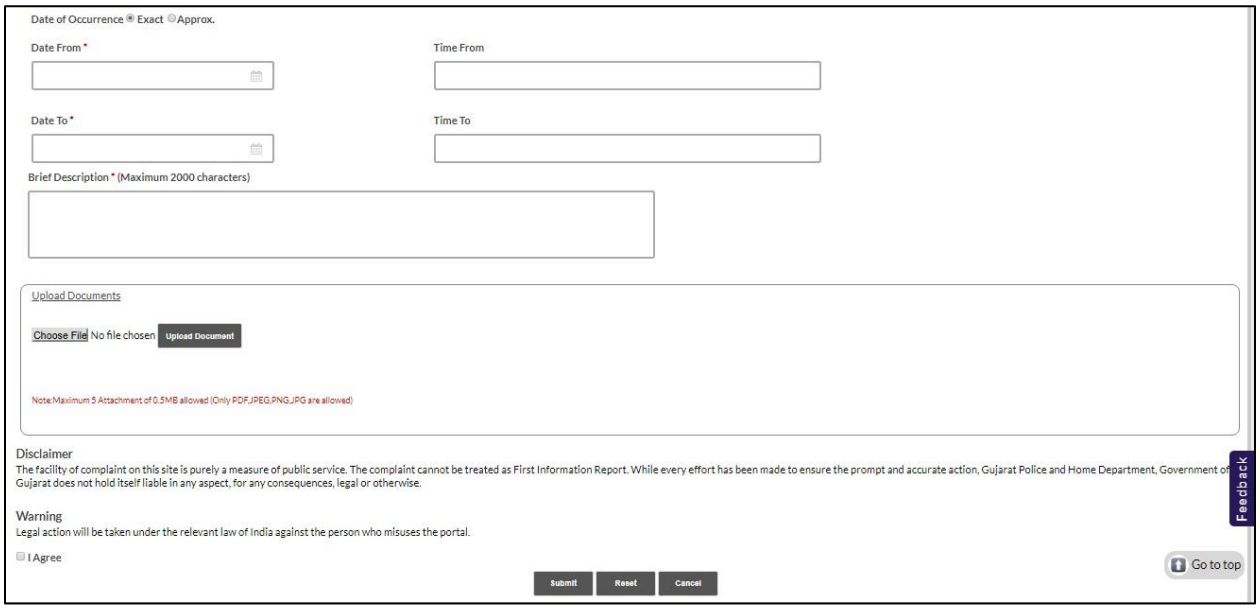
To get a copy of F.I.R, fill in all details and click on generate report. Screen will be displayed as below.



You can view as well as download the F.I.R

e-Application

If you want to submit any application, you don't have to visit any Police Station now. Citizen Portal will let you file an application/information online. Using E-application, citizen can submit an application for any crime that has happened to them and also can provide information regarding any crime directly to Police Station. For submitting online application, click on "e-Application".



As displayed in the image above, to submit e-Application fill in all the mandatory fields like Incident Occurrence Place, Complaint type, Incident date and time, brief description of incident, relevant police station and attach supporting documents if any. Click on "submit" to submit your application. Fields marked as "*" are mandatory to fill without which application cannot be submitted.

Report Missing/Stolen Property

If you want to file an application regarding the missing/stolen property without visiting police station, you can click on “Report Missing/Stolen Property” option from Home Page.
